

Cleaning the Creek

THANK YOU to all Hedgcoxe Families, local scouts, and staff for braving the cold, windy Saturday to participate in our annual Clean the Creek event. We had over 80 people in attendance and collected about 30 bags of trash along with several large items. The City of Plano extended a warm "THANKS" to everyone involved for *Helping to Keep Plano Beautiful*. A representative told me that this was one of the best community creek clean-up events she had received a report for! Way to go HEDGCOXE!!! ~ *Tania Bailey*, Environmental Chair

Special thanks to Clean the Creek volunteers
Elizabeth Martin, Brigitte Weisser and Kim Winkler.
I appreciate your coming early, helping to set up,
and getting all the families registered.
